WEEKLY: every Friday from 6:30pm.

Remember to check the website first and then the clubhouse windows for up-to-date information, which we will also circulate by email.

The club organises several events throughout the year and we are always looking for new ideas and volunteers. The committee try hard to think of different ways to get the club together either around the tennis courts or elsewhere and we are always open to suggestions. We would urge you to join in these events, details of which will be forthcoming soon in a separate email newsletter and always updated on the website.

The Committee would like all members to be vigilant with regard to abuse of the courts.
